Furniture Needs

Each family's needs are unique. There are three ways you can support families as they furnish their new home:

- Make a monetary donation to our Furniture Fund.
- Donate your used furniture and household goods to the Habitat for Humanity Store. Through this donation partnership, your used items turn into store credit which our families can use to shop for the things they need! Call Habitat to schedule a pickup!
- Offer to donate furniture directly to clients. Please email a photo of your item to MeredithS@LydiaPlace.org if you have furniture in good condition and you are able to deliver (we are unable to pick up items).
